

## Montgomery Presbyterian Center Adopt-A-Cabin

Your interest in Montgomery Presbyterian Center's Adopt-A-Cabin program will bring so much delight and energy to hundreds of children, youth, and adults in the near future. The Adopt-A-Cabin program is a stewardship program directed toward the preservation, comfort, and restoration of the cabins at our beautiful facility. By donating your time, money, or both, you will be helping us create meaningful experiences for campers and guests for many years to come.

Participation in the Adopt-A-cabin program can be done in different ways depending on how much your church/organization can be involved. You can choose to donate the funds to finance the project and let our staff do the physical work, or you can donate both the labor and funding to complete the project. If your church/organization is willing to adopt a cabin, we also encourage you to work with other churches/organizations to help offset costs and labor, as well as build relationships between churches. If you would like more information about partnering with surrounding churches or organizations, please do not hesitate to ask us.

On the following pages you will find our registration form. Please complete the registration form for your church/organization and send it back to us via email or fax. Once received, we will then respond with further instructions. We are attempting to have the cabins restored with as little interruption for our on-going groups as possible.

Please note that we have a supply list and a vision as to the uniformity of the cabins. Please, follow this list if you wish to donate materials toward our restoration efforts. We will discuss with you our plans for personalization once we have started restoring cabins.

Finally, we cannot thank you enough for your assistance in helping us continue our mission. Your donation helps us to live out the calling of Montgomery, which is worth more than money. Building relationships with Christ is more than a mission to us; it's who we are as a center. Your efforts will help us tremendously as we ensure the safety, comfort, and fun that our cabins provide to hundreds of campers and guests year round.

God Bless,

Montgomery Presbyterian Center Staff

## Montgomery Presbyterian Center Adopt-A-Cabin

### Ways to Donate

#### Volunteer Labor

Volunteers are always welcomed at Montgomery. As we renovate the cabins, we will need many hands to show off the beauty God has given us. We need your assistance in hanging curtain rods, prepping the roofs for guttering, gardening and landscaping the area around the cabins, as well as helping to improve pathways to and from our cabin.

If your church/organization would like to volunteer, we do ask that you bring some of your own tools to assist with the work. In order to save time, and make sure that the cabins are completed before summer programming begins, we will be using a professional painting organization. We will still need many hands to install and restore other parts of the cabin. As they say, many hands make light work, and your hands will be appreciated as we serve hundreds of campers this summer and the many user groups we have throughout .

#### Financial Donations

Realizing that churches and organizations have different abilities to pay, Montgomery Center offers a three-tier pricing option. You may CHOOSE the tier that is most suitable for your church/organization. It is a “free-will” system; you tell us what is comfortable and affordable. Your donations no matter how big or small, allow our campers and guests to have a more comfortable stay at Montgomery Center.

If your church/organization cannot afford our lowest tier, Tier 1, you can still participate in the program. We can pair your church/organization with one or more other churches allowing you the ability to co-adopt a cabin. If you have already chosen a church to pair up with, that’s all right as well. If you are unable to assist physically or financially, you and your church can pray for the future of this wonderful facility.

#### The Tiers

##### Tier I - \$2,500

This is our lowest tier. This tier allows us to fix up the basics of a cabin. This includes re-siding the exterior walls, painting the exterior and interior of the cabin, installing new light fixtures, putting in new curtain and rods, installing grounded electrical outlets, new bathroom fixtures, and restoring the decking.

##### Tier II- \$3,500

Tier II includes everything in Tier I, but adds vanity cabinets and gutters to assist with erosion control and overall protection of the buildings.

##### Tier III- \$5,500

Tier III includes all of the restoration of Tiers I, and II and adds the ability for us to put in instant hot water heaters, and new air conditioning/heating units. By adding these items, we will be able to cut our utility bills drastically and not use nearly as much water as we are currently. This then will allow us to operate more effectively and efficiently as we serve God’s people.

## Montgomery Presbyterian Center Adopt-A-Cabin

The lists below are a list of items that each tier allows us to purchase. For more information, please do not hesitate to give us a call.

Tier 1	Tier 2	Tier 3
